ESCP Journal List

February, 2024

The European Research Committee has proposed a new Journal List for ESCP to be effective on February 14th, 2024. The Journal list system and the bonus policy were approved by the Executive Committee

Statement I:

The Journal List is composed of external official lists from high quality and reliable international and European national lists. The current approved official lists are Financial Times (50), FNEGE 2022 (718), ABS 2021 (1,696), and VHB 2014 (651). The 2020 CNRS list remains our reference list in this 2024 edition.

The new national lists from Spain and Italy can be added if the quality of the list is approved by the ERC in the future. The updated version of each list should be evaluated by the ERC before including it in the updated version of the ESCP Journal List.
