Ebooks platform

Our school subscribes to several digital book packages.

The EBSCO ebook platform offers millions of digital books in English and French. Proquest Ebook central offers more than 20,000 digital books on all subjects. We also have a collection of around 500 digital books on Springer Link. These packages are subject to change throughout the year.

Please note!

Librarians also buy individual digital books, which you can find by searching the library catalogues.
